

LISTENING. CARING. PASSIONATE REPRESENTATION TO ACHIEVE CLIENT GOALS.

As a Rockford divorce lawyer and family law attorney, I will take the time to listen to you and to explain how the law impacts your matter. Whether you are going through a divorce or have a child custody, child support, visitation, or paternity matter, I will work passionately to achieve the best result possible for you.

I'll be available to answer your questions in the manner that you prefer – by phone, e-mail, or text messaging, or in our Rockford law office.

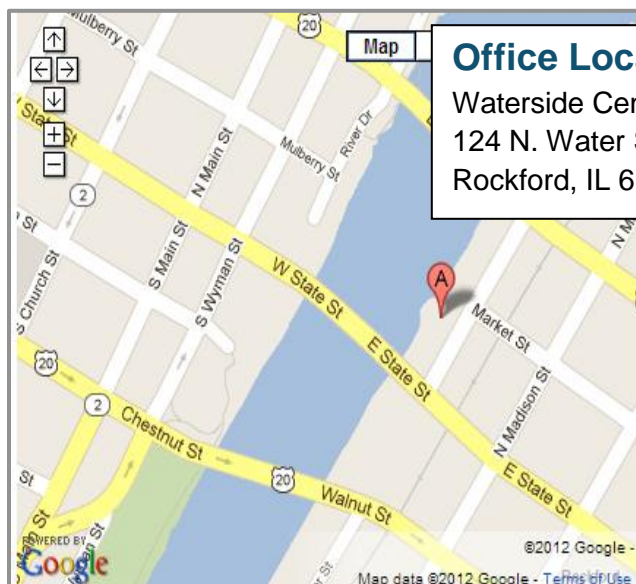

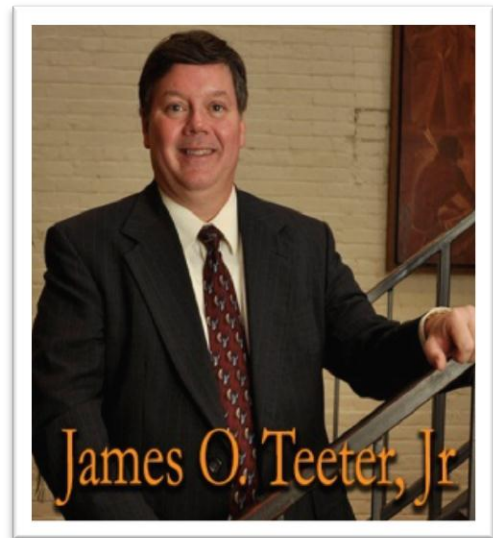

Achieving Your Goals is My Objective

Your case is unique. My first objective is to learn about your matter and your desired outcome. Then, I can develop a strategy around your goals.

I am dedicated to protecting client interests. I work personally with my clients, providing them attentive service. At our firm, we treat every client like they are our only client.

Free No-Obligation Consultation and Case Evaluation

I offer a free 30 minute consultation so that I can learn about your situation. At this meeting I can advise you as to how the law applies to your matter, the options that may be available, and how our firm can help.
